

VOI

VOCIFERA'TION. *n. f.* [*vociferatio*, *vocifero*, Lat.] Clamour; outcry.
The lungs, kept too long upon the stretch by *vociferation*, or loud singing, may produce the same effect. *Arbutnot.*
VOCIFEROUS. *adj.* [*vocifero*, Lat.] Clamorous; noisy.
Several templars, and others of the more *vociferous* kind of critics, went with a resolution to hiss, and confest'd they were forced to laugh. *Pope.*
VOGUE. *n. f.* [*vogue*, Fr. from *voguer*, to float, or fly at large.] Fashion; mode.
It is not more absurd to undertake to tell the name of an unknown person by his looks, than to vouch a man's faintship from the *vogue* of the world. *South.*
Use may revive the obsolete words,
And banish those that now are most in *vogue*. *Reformers.*
What fashions th' have, and what they drive at
In publick *vogues*, or what in private. *Hudibras.*
In the *vogue* of the world, it passes for an exploit of honour, for kings to run away with whole countries that they have no pretence to. *L'Estrange.*
No periodical writer, who always maintains his gravity, and does not sometimes sacrifice to the graces, must expect to keep in *vogue* for any time. *Addison.*
At one time they keep their patients so close and warm, as almost to fiddle them; and all on a sudden the cold regimen is in *vogue*. *Baker's Reflections on Learning.*
VOICE. *n. f.* [*vox*, Fr. *vois*, Lat.]
1. Sound emitted by the mouth.
2. Sound of the mouth, as distinguished from that uttered by another mouth.
Air in sounds that are not tones, which are all equal, admitteth much variety, as in the *voices* of living creatures, and in the *voices* of several men; for we can discern several men by their *voices*. *Bacon's Nat. Hist.*
3. Any sound made by breath.
O Marcus, I am warm'd; my heart
Leaps at the trumpet's *voice*, and burns for glory. *Addison.*
4. Vote; suffrage; opinion expressed.
Are you all resolv'd to give your *voices*?
But that's no matter, the greater part carries it. *Shakespeare.*
I've no words;
My *voice* is in my sword! thou bloodier villain
Than terms can give thee out. *Shakespeare. Macbeth.*
The state was betrayed by the multitude and corruption of *voices*, and must shortly perish, if not committed to the grave judgment of some few; for two hundred gave *voices*, reducing that multitude to fifty, who, for their experience, were holden for men of greatest gravity. *Knolles.*
Some laws ordain, and some attend the choice
Of holy *voices*, and elect by *voice*. *Dryden.*
TO VOICE. *v. a.* [from the noun.]

3. Mutability; lability to revolution.
He that's a victor this moment, may be a slave the next; and this *volubility* of human affairs, is the judgment of providence, in the punishment of oppression. *L'Estrange.*
VOLUBLE. *adj.* [*volubilis*, Lat.]
1. Formed so as to roll easily; formed so as to be easily put in motion.
Neither the weight of the matter of which a cylinder is made, nor its round *voluble* form, which, meeting with a precipice, do necessarily continue the motion of it, are any more imputable to that dead, choiceless creature in its first motion. *Hammond.*
The adventitious corpuscles may produce stability in the matter they pervade, by expelling thence those *voluble* particles, which, whilst they continued, did by their shape unfit for cohesion, or, by their motion, oppose coalition. *Boyle.*
2. Rolling; having quick motion.
This less *voluble* earth,
By shorter flight to th' east, had left him there. *Milton.*
Then *voluble*, and bold; now hid, now seen,
Among thick-woven arborets. *Milton's Par. Lost, b. iv.*
3. Nimble; active. Applied to the tongue.
A friend promised to dissect a woman's tongue, and examine whether there may not be in it certain juices, which render it so wonderfully *voluble* and flippant. *Addison.*
These with a *voluble* and flippant tongue, become mere echo's. *Watts's Improvement of the Mind.*
4. Fluent of words. It is applied to the speech, or the speaker.
Cassio, a knave very *voluble*; no further conscionable, than in putting on the meer form of civil and humane seeming, for the better compassing of his loose affection. *Shakespeare.*
If *voluble* and sharp discourse be marr'd,
Unkindness blunts it more than marble hard. *Shakespeare.*
VOLUME. *n. f.* [*volumen*, Lat.]
1. Something rolled, or convolved.
2. As much as seems convolved at once; as a fold of a serpent, a wave of water.
Threepence and ten I can remember well;
Within the *volume* of which time I've seen
Hours dreadful, and things strange. *Shakespeare. Macbeth.*
Unoppos'd they either lose their force,
Or wind in *volumes* to their former course. *Dryden.*
Behind the gen'ral mends his weary pace,
And silently to his revenge he fails;
So glides some trodden serpent on the grass,
And long behind his wounded *volume* trails. *Dryden.*
Thames' fruitful tides,
Slow through the vale in silver *volumes* play. *Fenton.*
By
